

THE SKULL RETURNS

VIRTUS BARBELL is holding our 7th annual charity powerlifting meet. **The Skull Returns** was created to help local children have a brighter and happier holiday. We are partnering with a local charity and will donate 100% of the meet proceeds to a fund set up to help local children around the holiday and through the year.

You can be a partner in our mission to help local children by becoming a meet sponsor. Powerlifters from all over the area along with hundreds of spectators will fill Virtus Barbell on Saturday December 10th. Your company can partner with Virtus Barbell in a few different ways.
